PROMOTERS DESK

DHANPAL SHAH

Dhanpal Insurance has a long and successful history. It all began in 1966 when Shah Amratlal Girdharlal started the RTO branch. In 1981, Shah Suryankant Amratlal continued this legacy by establishing the Dhanpal RTO. The real turning point came in 2012 when Dhanpal Suryankant Shah ventured into the insurance business and founded Dhanpal Insurance. In 2013, Shweta Dhanpal Shah, Dhanpal's wife, joined the business, contributing significantly to its growth. Their hard work paid off in 2015 when Dhanpal received the Best Insurance Advisor Award from IFFCO Tokio Company.

With continuous dedication, Dhanpal and Shweta elevated Dhanpal Insurance to greater heights. In 2021, Tata AIG recognized their efforts, awarding them India's Top 10 Number for Health Insurance. The following year, in 2022, Dhanpal achieved another milestone, securing the 7th position in Tata AIG's CEO's Inner Circle Club nationwide. The story of Dhanpal Insurance not only showcases a thriving business but also reflects a commitment to excellence in the insurance industry.

INSURANCE PRODUCTS

Life is full of exhilaration and risks at the same time. Some unforeseen situations and uncertainties can sometimes put you in both financial and emotional stress. If you want to safeguard your belongings like your car, two-wheeler, home, then buying a general insurance policy is a great option to cover the financial loss. Financial loss arising out of natural calamities, accidents, casualties apart from death, legal actions and thefts are also covered under various general insurance policies.
